Homecoming: A Broadway Hit

The spirit started rolling Wednesday at the crowning of the queen and her court. Finally Friday came and student spirit and anticipation was at its highest. Seniors won first place for their float, "Grease," while juniors' "Wizard of Oz," sophomores' "Fiddler on the Roof," and freshmen's "Peter Pan floats helped add to the theme "Broadway Hits."

After the parade, the floats were on display by the tennis courts, and the activities were underway. As the band played the fight song and the cheerleaders and alumna cheered, the team broke through the paper hoop. To help the evening along, the choir sang the national anthem before the game.

Although the spirit was high and the court sparkling, it was not enough to pull off a victory and the Pirates lost to the Tiffin Calvert Senecas, 21-6. As homecoming came to an end on Saturday night, students danced under a starry ceiling in the cafeteria to the music of "SKYE."

Spirit Week: A Success

Working together was the object of spirit week. Each day was another exciting event.

It all started Monday with notebook day. Each class had a notebook located in one of the classrooms. Classes were to sign them, and the class which had the most signatures won.

Hats were seen everywhere Tuesday as students participated in hat day.

Wednesday everyone was encouraged to wear red shirts to show their spirit. All week each class had students working on their wall, decorating them with signs. Each class had its own wall to decorate, and on Thursday they were judged.

The auction on Thursday gave students a chance to buy a slave. On Friday, owners dressed their slaves in dresses, wigs and bibs, and made them wear signs, carry dolls and many other things.

The sophomore class was the leader as they won both hat day and red shirt day. The juniors' artistic ability won them the wall day contest, and the freshmen came in first in the notebook contest.

Ghosts Haunt Cafeteria

E

As the sky darkened and the moon rose, witches, goblins, and monsters were walking into a room full of balloons, refreshments and music.

The very first Halloween dance sponsored by the senior class on November 1, was a howling success. The class officers decorated the cafeteria with balloons, crepe paper, and center pieces.

During the evening, Paul Mullins, a 1980 graduate of Perkins, acted as D.J. as he played records of the top hits.

For students who had the munchies or who had worked up a thirst, there was popcorn and apple punch available.

At the close of the dance, the Bursting Brains, a band made up of Perkins students and graduates, played for an hour.

Those who attended the dance agreed that it was a worth-while addition to school activities.

Band Had A Banner Year

The Perkins High School Band under the direction of Dennis Lavy, Martin Lydecker, Thomas O'Shaugnessy and drum majors, Jon Szubski and Gary Fahey was a major source of pride and spirit here at Perkins.

The band was involved in two major projects. Those projects were a trip to Disney World and the purchase of new uniforms. This purchase ended a a ten year money-raising project. Neither of these could have been accomplished without the support of the Band Boosters. Booster officers were Carole Stierhoff, president; Barb Kearney and Barb Kraus, vice-presidents; Kathy Moultrie, treasurer and June Rupp, secretary.

The band performed at football and basketball games, at the Christmas Concert, Fine Arts Festival, the Sandusky Bay Festival Parade (first place), and The Sandusky Marching Band Festival. They also did the back-up music for the school musical. Performing along with the band were the Pirettes under the direction of Amy Fletcher.

Throughout the '80-'81 school year, the band acquired various awards. The Marching Band received a superior rating in district and a second place in their class in the Newark Festival of Champions. They were one of ten bands to qualify in their class and received a II in state competition. The Concert Band received a II in district, and and the Wind Ensemble got superiors in both both district and state. Perkins was also host school for the state band and choir concert.

As far as individual honors went, John Fackler, senior, was a member of the All-Ohio Band and played at the Ohio Music Educators Association (OMEA) conference.

At the annual awards banquet, John Fackler was selected by fellow students to receive the John Philip Sousa Award. Loren Couch and Tammy Rupp were the recipients of the service and most improved awards, respectively. The Band Boosters introduced a new award. The HELP award went to Scott Unckrich. John Fackler also received a memorial scholarship.

Choir - 'I'd Like To Teach The World To Sing . . .

1

The choir was divided into two separate choirs, concert and mixed choirs. The purpose of the two was to teach students to sing all types of music and to present concerts in the fall, at Christmas and in the spring.

To help organize projects for the 36 member concert choir were Doug Lang, president; Ray Whitacre, vice-president; Diane Blackwood, secretary; and Jim Smith, treasurer.

The mixed choir consisted of 23 members. The officers were Suzanne White, president; Frank Kidd, secretary; Holly Jarrett, treasurer; and Lisa Bloomfield, librarian.

The main project of the year for both choirs was the musical production, "Oklahoma". Although the cast members did not need to belong to the choir, all of the choir members did participate in some way.

Cast Haunted Auditorium In "Haunting Of Hill House"

On the dark, shivery nights of November 14 and 15, lights flickered, walls moved, and strange happenings began at the opening of the curtain.

Kelly Todi and Diana Flounders, who played the two main characters, with the help of the other cast members, Kris Hufnagle, Chris Cebull, Lisa Ferry, Tom Best and Jeff Canter dramatically brought "The Haunting of Hill House" to life.

After a lot of hard work and long practice, under the direction of Mrs. Van Ness, the play was a success.

'Oklahoma' Comes Sweeping Down

Having a short time to practice before the musical, "Oklahoma", Miss Saylor, advisor, did a great job of organizing and putting it all together. She could never have succeeded without the cooperation of the main characters, Ray Whitacre (Curly), Kris Jenks (Laurey), Gary Fahey (Will Parker), Linda Baird (Aunt Eller), Loren Couch (Jud), Diana Flounders (Ado Annie), Greg Butcher (Carnes), Matt Buderer (Ali Hakim) and the other 24 cast members. Oklahoma was presented on April 10 and 11.

A Song Was Sung As The Pictures Were Hung

The Fine Arts Festival was expanded this year to include the areas of home economic and industrial arts. This year the Ohio State Department of Education designated 1981 as the "Year of the Students and Teachers". The eighth annual Fine Arts Festival was dedicated to this state designation.

Throughout the day people looked at the pictorial area as well as listened to and watched the vocal and instrumental portions of the festival.

Prom- "We've Got Tonight" -Successful

In the distance the sun could be seen setting over Lake Erie as couples strolled hand in hand into the annual Junior- Senior Prom held at the Cedar Point Convention Center.

Once inside, the couples were greeted and announced by host and hostess, Stuart Moultrie and Jenny Rist. From there the festivities began as the couples danced to the music of Ice and had their pictures taken in front of a romantic trellis.

As the prom came to an end, the couples drifted out to enjoy a fine dinner at a local restaurant or out to an after-prom party to enjoy the rest of their night.

The prom committee was co-chaired by Gretchen Bossart and Beth Stockdale who did an outstanding job in making the prom a success.

Aqua-Tones Put On Scentsational Show!

"Blue Jeans", "Heaven Scent", "Love's Baby Soft" - what do they all have in common? These and other popular scents all played a part in the Aqua-Tones' production, "Scentsational", on November 6, 7, and 8. The 30 member group put on their annual show, once again with resounding success.

Among the more memorable numbers were "Babe", a solo by senior vice-president Tricia Stacey, "The Rose", by the reserve members and "Zany" and "Skinny Dip", duets which featured Lynn Thompson and Karla Stierhoff in the first duet and Karen Brown and Mari Zuck in the second.

As a special added treat, 11 senior guys swam to the tune of "I'm Alright", the theme song from the movie, "Caddyshack". They were Sheldon Benkey, Bob Brown, Regan Cole, Jim Gongos, Jeff Higley, Dan Hoelzer, Scott Jurs, Ken Miller, Dean Printy, Patrick Williams, and Rick White.

Academic Challenge-Scott Hi-Q Shot For The Stars

The 1980-81 school year proved to be a banner season for Perkins High's academic team as they fared well in Academic Challenge and Scott Hi-Q.

The team of seniors, Jim Burchfield and Joe Giardina, and sophomore, Mark Nielsen, won their segment on WEWS-TV's Academic Challenge. The trio defeated teams from Strongsville and Streetsboro.

Previously, the Scott Hi-Q competition had been a weak spot for Perkins. In 1981, however, PHS won the regular season title by outdistancing the nearest competition by 29 points. The team, which consisted of seniors, Bob Brown, Joe Giardina, Greg Mills and Jim Burchfield, and sophomore, Mark Nielson, then came in second in the play-off competition behind Edison. Perkins received a \$750 check in honor of these accomplishments. Mr. Edward Muffler and Mrs. Cathy Zeiher were the advisors for both squads.

CBBS, Confederation for the Betterment of Black Students, reached new heights in 1981. The advisor, Mr. Gordon Matthewson, along with president, Cynthia Gowdy; vice-president, Debbie Crosby; and secretary, Nina Harris; worked diligently on behalf of the club to assure a successful year.

The club sponsored a karate exhibition and a fund-raising dance. The Karate Club from downtown Sandusky presented a great show. The Black queen, Debbie Crosby, was crowned on February 12, 1981, along with first attendant, Nina Harris, and second attendant, Camelle Garrett. A fund-raising dance was held with music played by D.J., Dudley Harris, a well-known WLEC announcer.

Spanish, French And Latin Clubs Active

First year advisor, Miss Fultz, helped Tammy Toft, president; Julie Pascoe, vice-president; Tina Brady, treasurer; Kris Gordon, secretary; and the other 20 members make the Spanish Club more active.

Many activities were planned and carried out during the school year. Going to a Mexican restaurant, having an ornament sale, a Christmas banquet and cookie exchange and sponsoring a child from a Spanish-speaking country were among those activities. Several of the club members also took a trip to Spain from April 17-25 during spring break.

Services With A Smile

Providing additional homemaking experiences for students interested in this area was what Home Economics Club was all about. President, Beth Good; vice-president, Kim Nixon; secretary-treasurer, Kris Jenks; and historians, Cheryl Pruitt and Janet Ryf, helped make the club a success. The club had between 25 and 30 members who participated in many activities such as camping, selling fudge, and making a quilt.

The Home Economics Club also had a school service project, a community service project, a community service project, and a self-service project in which all members participated. For the school service project, they prepared and served the Law Day luncheon and also served at the Honors Banquet. also, 40 dozen Easter eggs were colored and given to Providence Hospital besides the annual quilt raffle for charity which was made by the club as their community service project. for the self-service projects, spice ropes were made and for Valentines Day, cookies were baked for the homes by each member.

Students Took Science Interest

One of the other new activities added to our school is called the Science Interest Group. This group was organized to provide enriching experiences and to guide interested students toward scientific and technical careers while instilling a sense of respect, wonder and excitement in the scientific process.

The group met about twice a month and contained 21 members with Biaca Kenley as moderator and Melinda Howman as assistant moderator. The advisor to the new group was Mrs. Palmer.

New Events Added By Student Council

"Going, going, going, gone," yelled the auctioneer at the slave auction sponsored by the Student Council. The slave auction was just one of the new activities carried out by the Student Council. The football players and the cheerleaders were auctioned off to members of the student body; for a price, to be slaves for a day.

Another new event the Council sponsored this year was the computer dating system. The students filled out questionnaires and submitted them to the computer. The students had to pay \$1 to receive ten names that were compatible to their own personalities and interests. Those people who helped organize the new events as well as the annual events were: president, Lisa Matter; vice-president, Kris Jenks; secretary, Jean Wright; treasurer, Tina Brady; historian, Linda Baird; and the rest of the 25 member Student Council. Advisors were Mrs. Studer and Mrs. Zeiher.

Quadrant Staff Worked Hard **TOGETHER**

With the help of first year advisor, Mrs. Souter, Editor Denise Hufnagle and staffers worked together to make this year's "Quadrant" a success.

Without the photographers' hard work and the reorganization of the dark room, the staffers' job of covering their sections to the fullest while recording the memories of the past year would never have been completed.

Aside from working together on the "Quadrant", the staffers also got together for a Christmas exchange party and other out-of-school activities.

News Came Together With Log Staff

1

Editor, Jeff Higley, and "Log" staff prepared a monthly paper which supplied to the student body information and special interest articles about past and up-coming events.

The staff met everyday during mods 22-24 during which time Mrs. Souter, the advisor, helped the students work together and make the "Log" a success.

The staff, in addition to putting out the "Log", offered a showing of "Smokey and the Bandit" to the fans of the Perkins vs. St. Mary's basketball game to raise money to produce the "Log". They also had a bake sale, two raffles, a Christmas stocking sale, and a car wash.

Gridders Faced Challenging Year

The challenge of a tough SBC season ended in frustration for Coach Jim Stauffer and the Pirates. Although the team was only 5-5 overall and 4-3 in the conference, their field efforts were that of a 10-0 team.

Lead by 26 seniors including captains Sheldon Benkey, Jim Hohler, Dean Printy and Pat Williams, the Pirates were able to keep their spirits and enthusiasm high throughout the season.

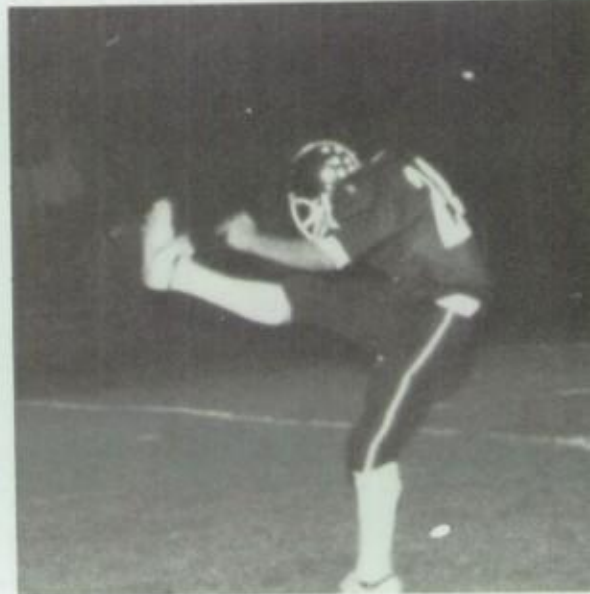

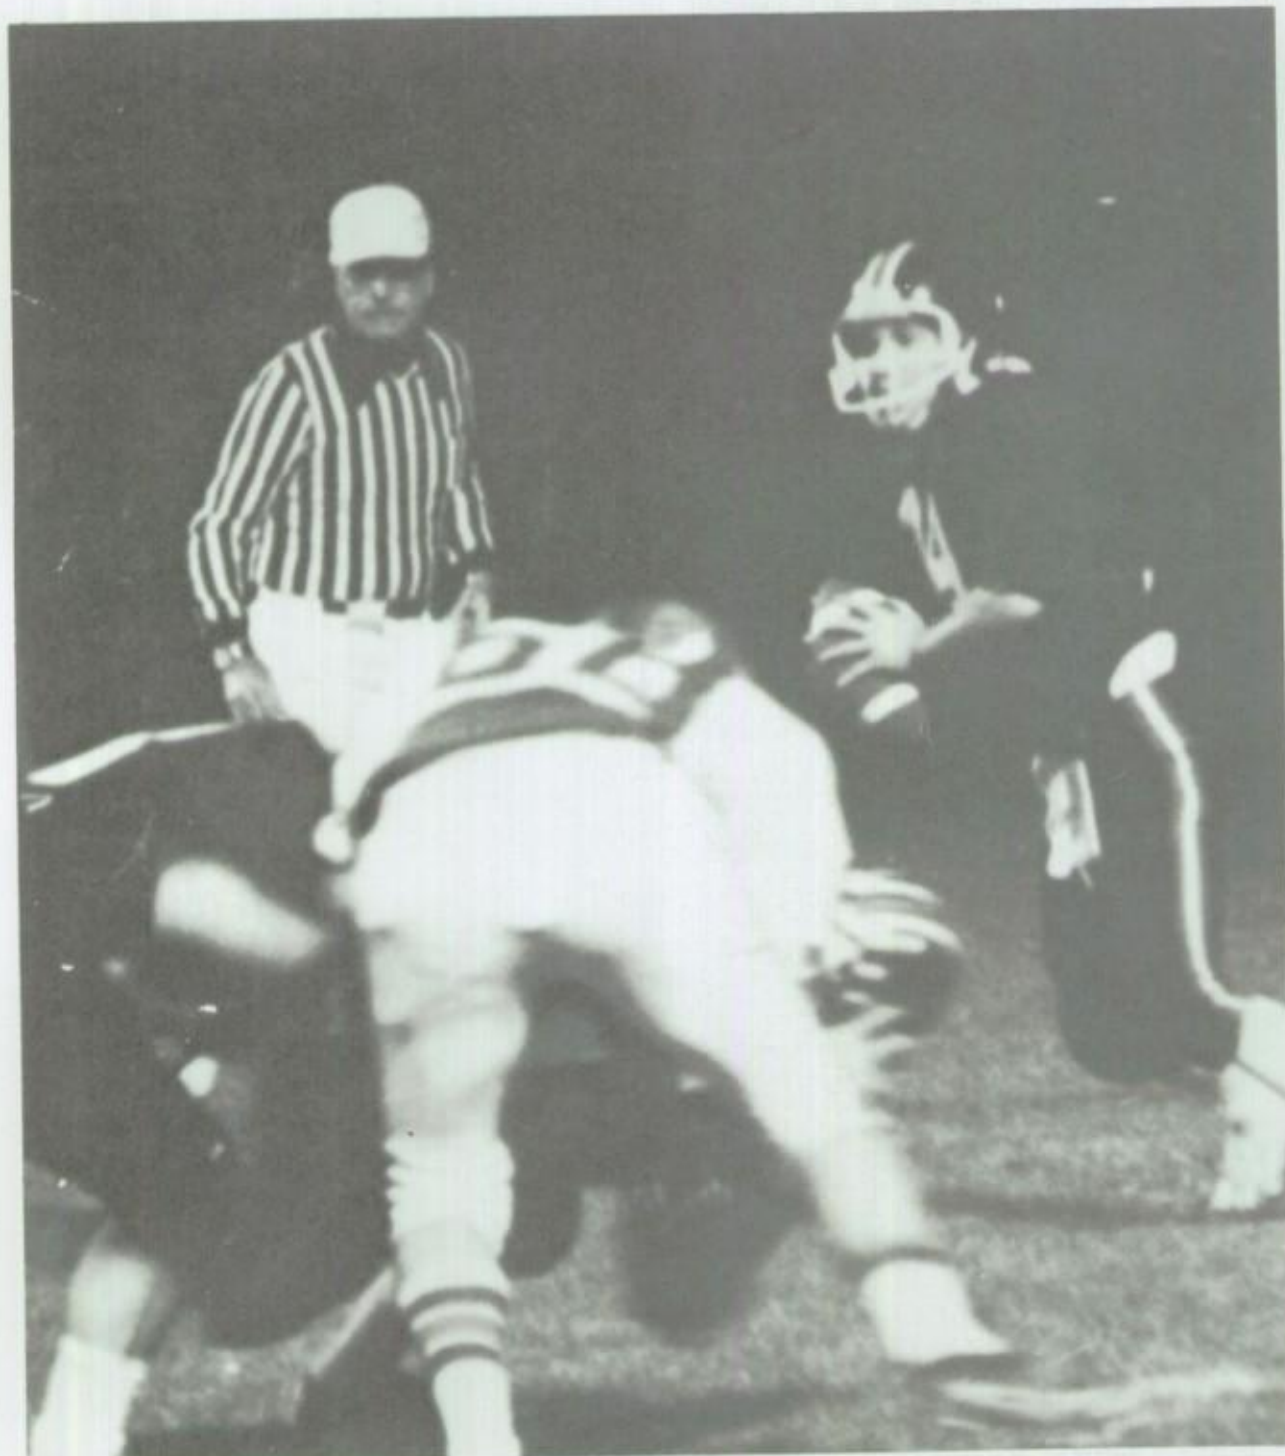

At the post season banquet, special honors went to seniors Hohler—Most Valuable Lineman; Dave Pruitt—Most Valuable Back; Tom Bing—Coaches' Award; Mark Butler, Jim Gongos and Mike Lewis—Hitter of the Year Awards; and junior John Fox—Scout Award.

Reserves Got Experience

1

Experience was the key word for many reserve football players. The players got a chance to work on their field play and to improve their individual game before moving up to the varsity level. Although some reserves did get a chance to prove themselves on the varsity field, most of their playing was done on the reserve level.

The 24 man team, coached by Bob McIntyre and ex-Pirate Jim Mapus, posted a 4-3 overall record. Also, the rookies were able to down such tough foes as St. Joe and St. Mary's to obtain a 3-2 conference record.

Success was the name of the game for the freshman gridgers as they were able to post a 6-1 overall-conference record. Lead by their defensive unit, which only gave up an averaged 5.3 points a game, the Frosh were able to hold their tradition of being a tough team.

Summed up by Coaches Web Luginbill and Steve Finn, "They were really aggressive players who wanted to block and tackle better than any other team. They will be able to contribute to the success of the varsity team next year."

Seniors Led Linksters

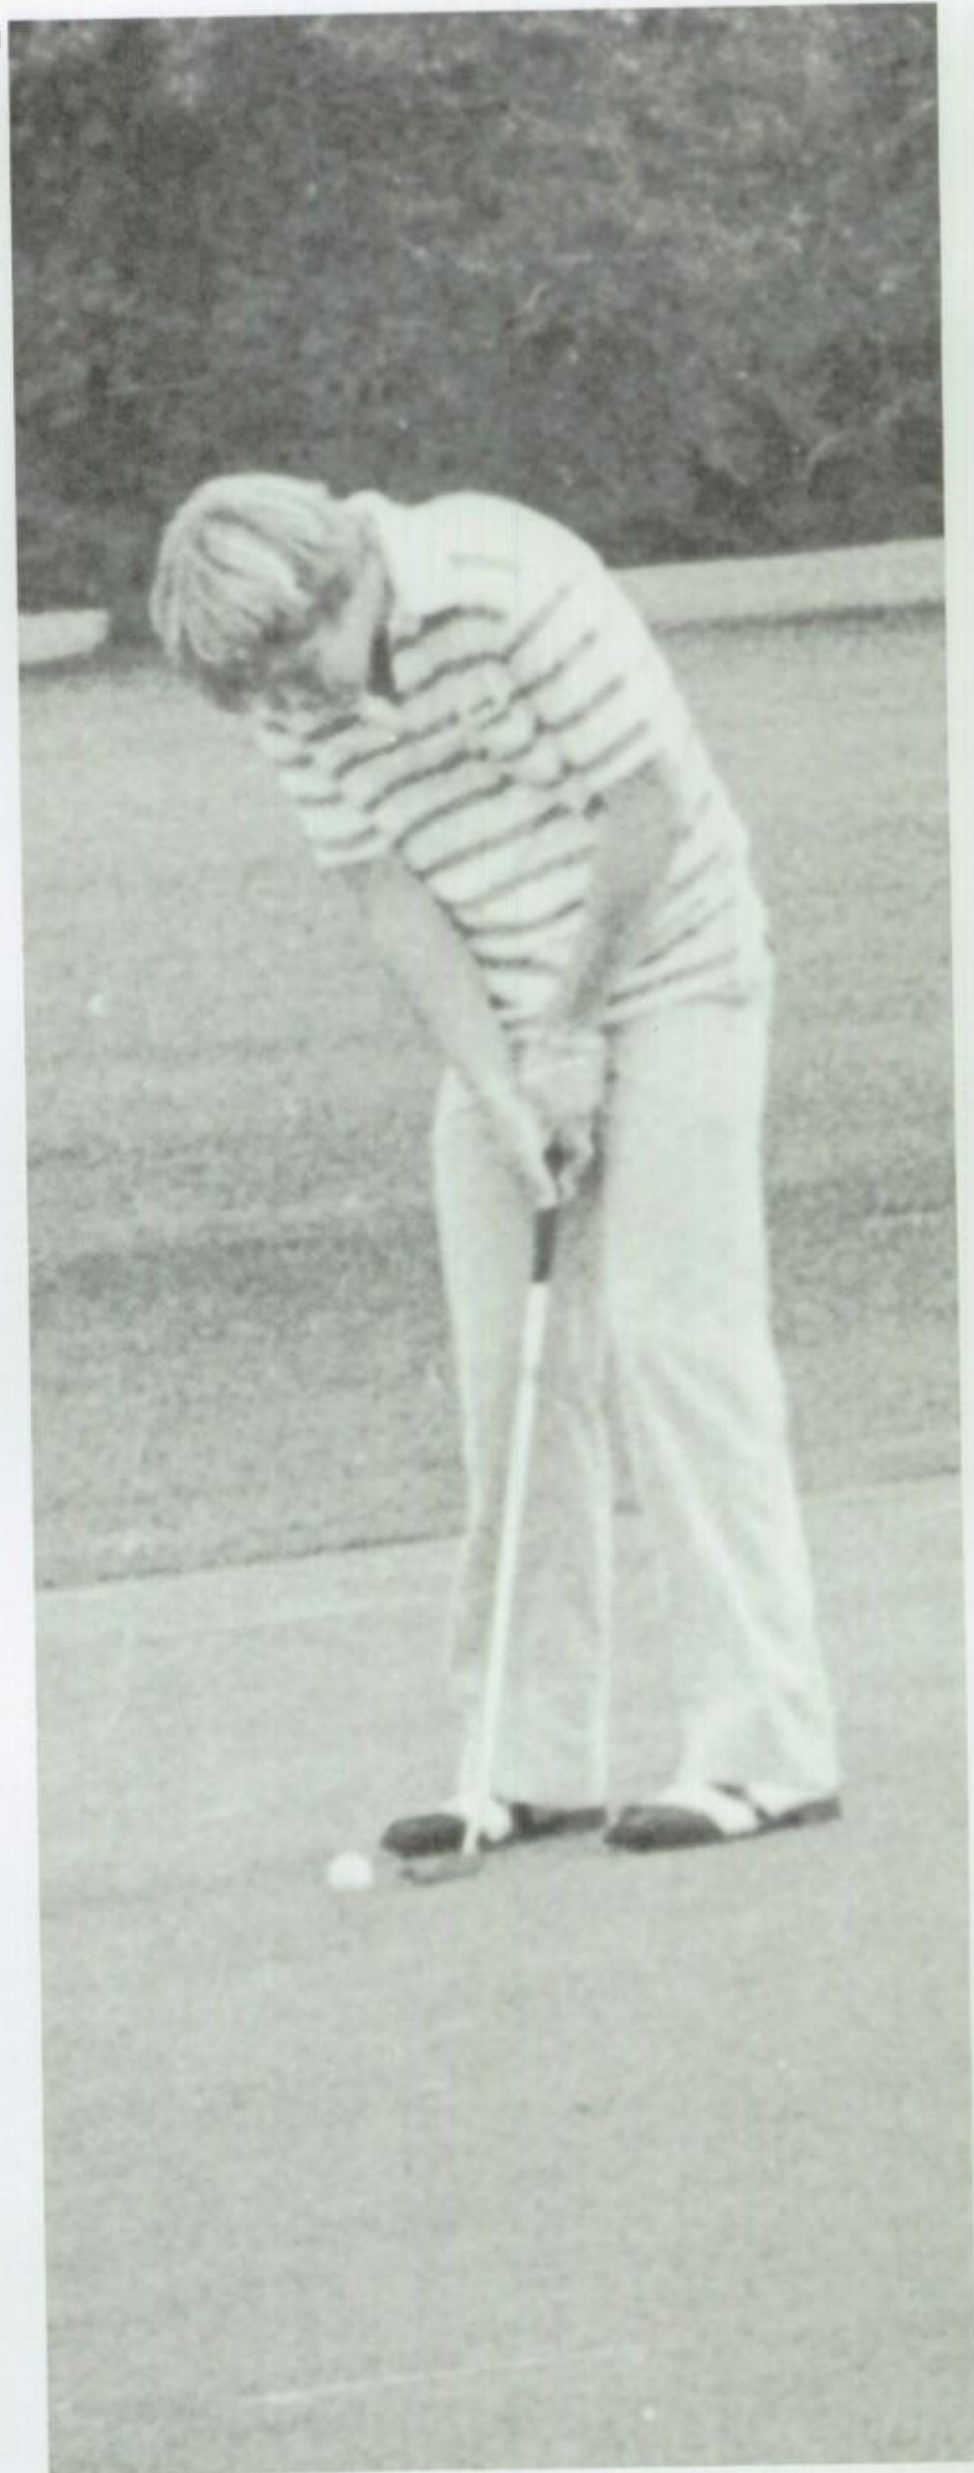

"We wanted to finish the season with a .500 record and to get into the district tournament," stated veteran Coach Frank Laudonia. Although the team's record was 6-9 overall, 6-8 in the SBC, and they did not make it to districts, the linksters proved that togetherness does not always guarantee a glittering record.

Lead by senior captain Scott White, the team seized such honors as third place at the Norwalk Invitational and sixth place at Huron. While individual achievements were posted by White, who finished second in the SBC and was chosen as MVP, senior Joe Giardina received the MIP award, and junior Ray Whitacre finished sixth in the SBC.

Inexperience Not A Factor

Despite inexperience, the boys' cross country team coached by John Hinton, were able to accomplish their one and only goal—to win the SBC. Besides posting a 8-4 record, the inexperienced harriers were also runners-up at the Norwalk Invite and were AA district qualifiers. Freshman Brian Martin, who was chosen as MVP, led the team by placing first in the SBC, while junior Tim Marzec and freshman Andy Smith placed second. Smith was also chosen as MIP.

Girls Set The Pace

Besides racking up a 3-1 record, the girls took first place honors as the Norwalk and Vermilion Invationals, won the girls SBC race, were runners-up in the Tiffin Carnival, and were A-AA district qualifiers.

With the exception of two seniors, Beth Shrake and Teena Deal, the entire squad will be returning next year to defend their crowns. Included in the returnees are MVP Laura Kearney and MIP Karen Stewart.

Girls Dominated SBC

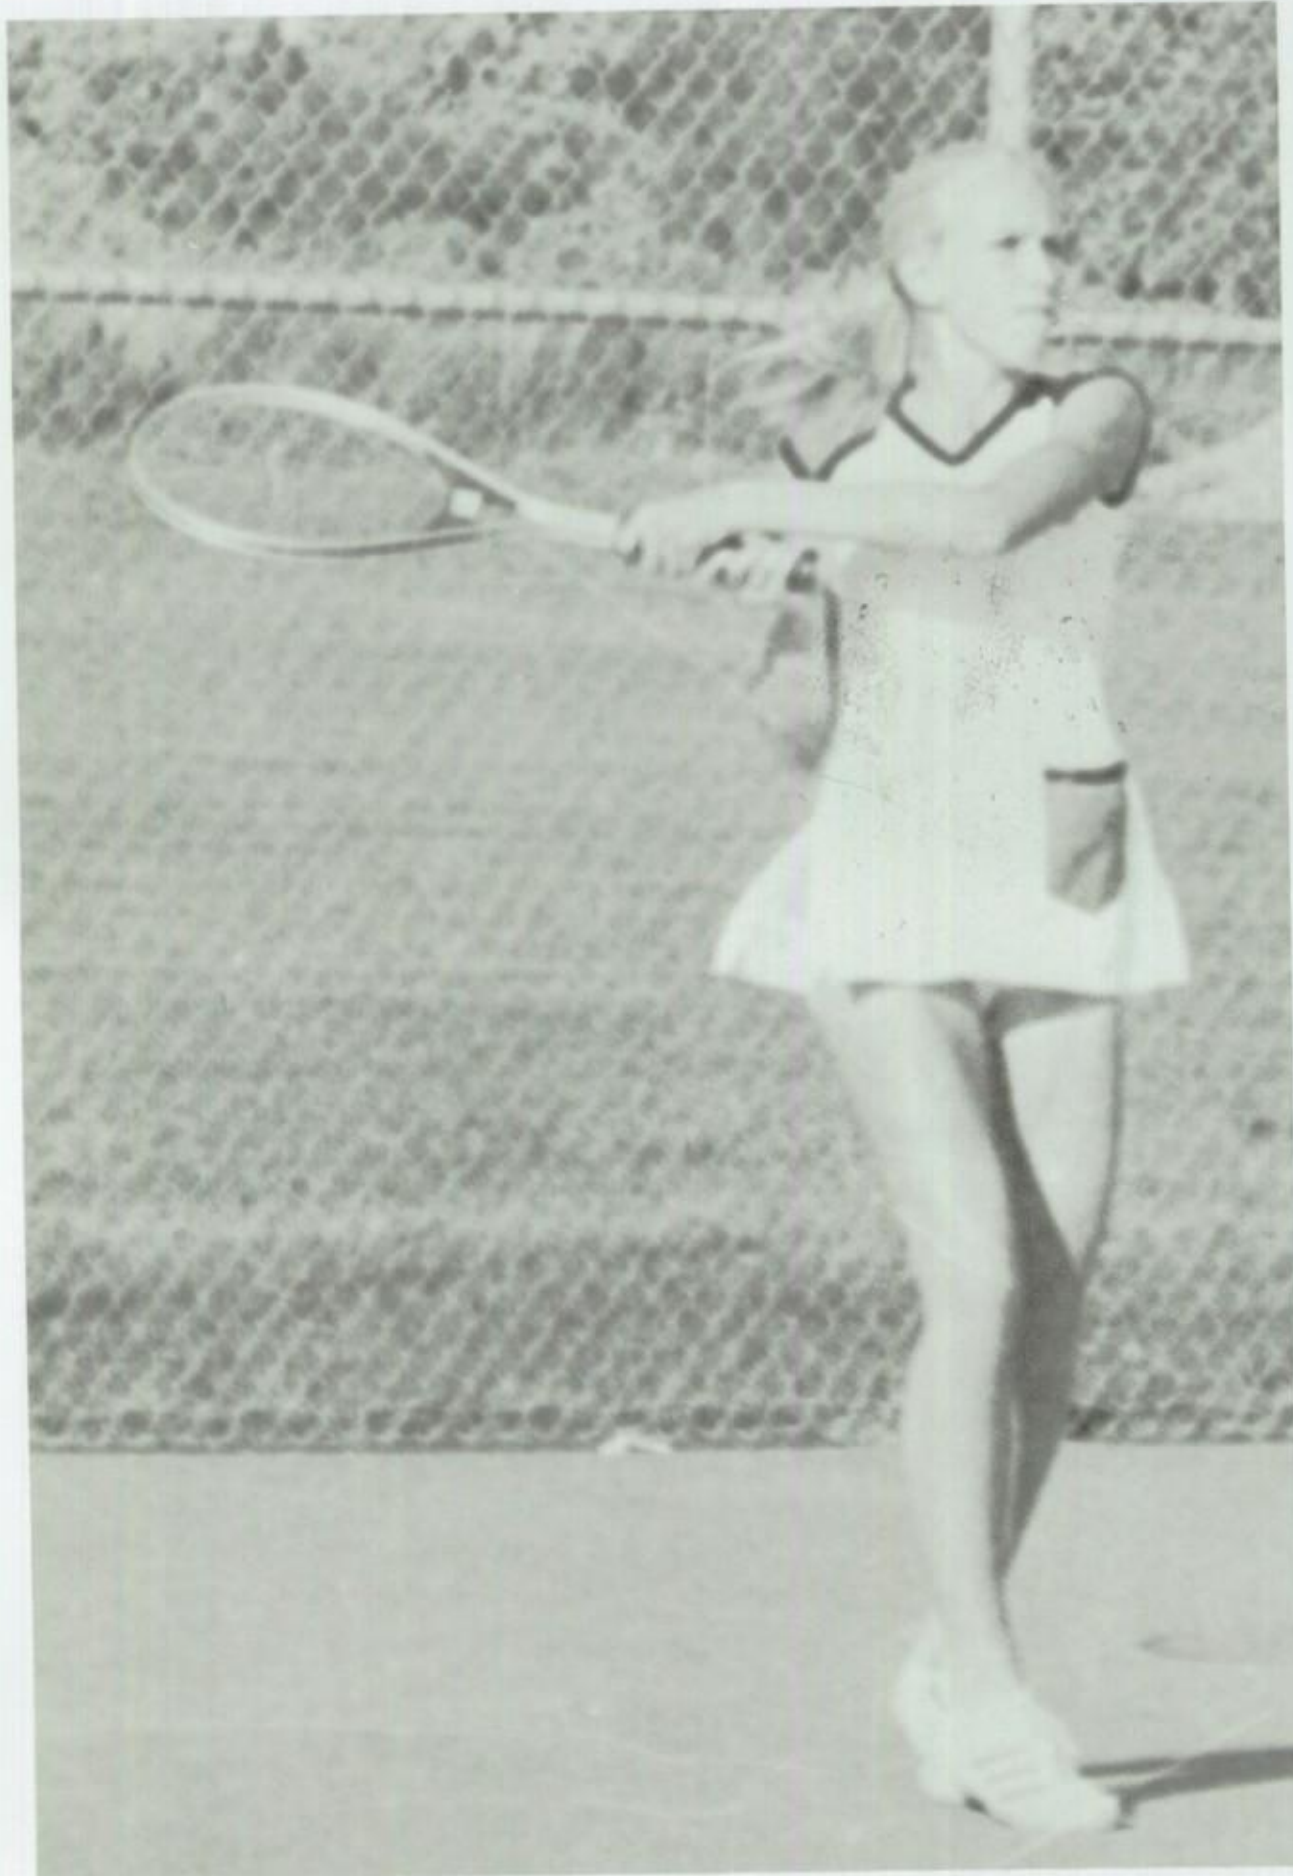

Out of the five years girls' tennis has been in existence at Perkins, the girls have dominated the SBC with three conference championships. The girls brought home their third undisputed crown this year with a record of 13-6 overall and 9-1 in the conference.

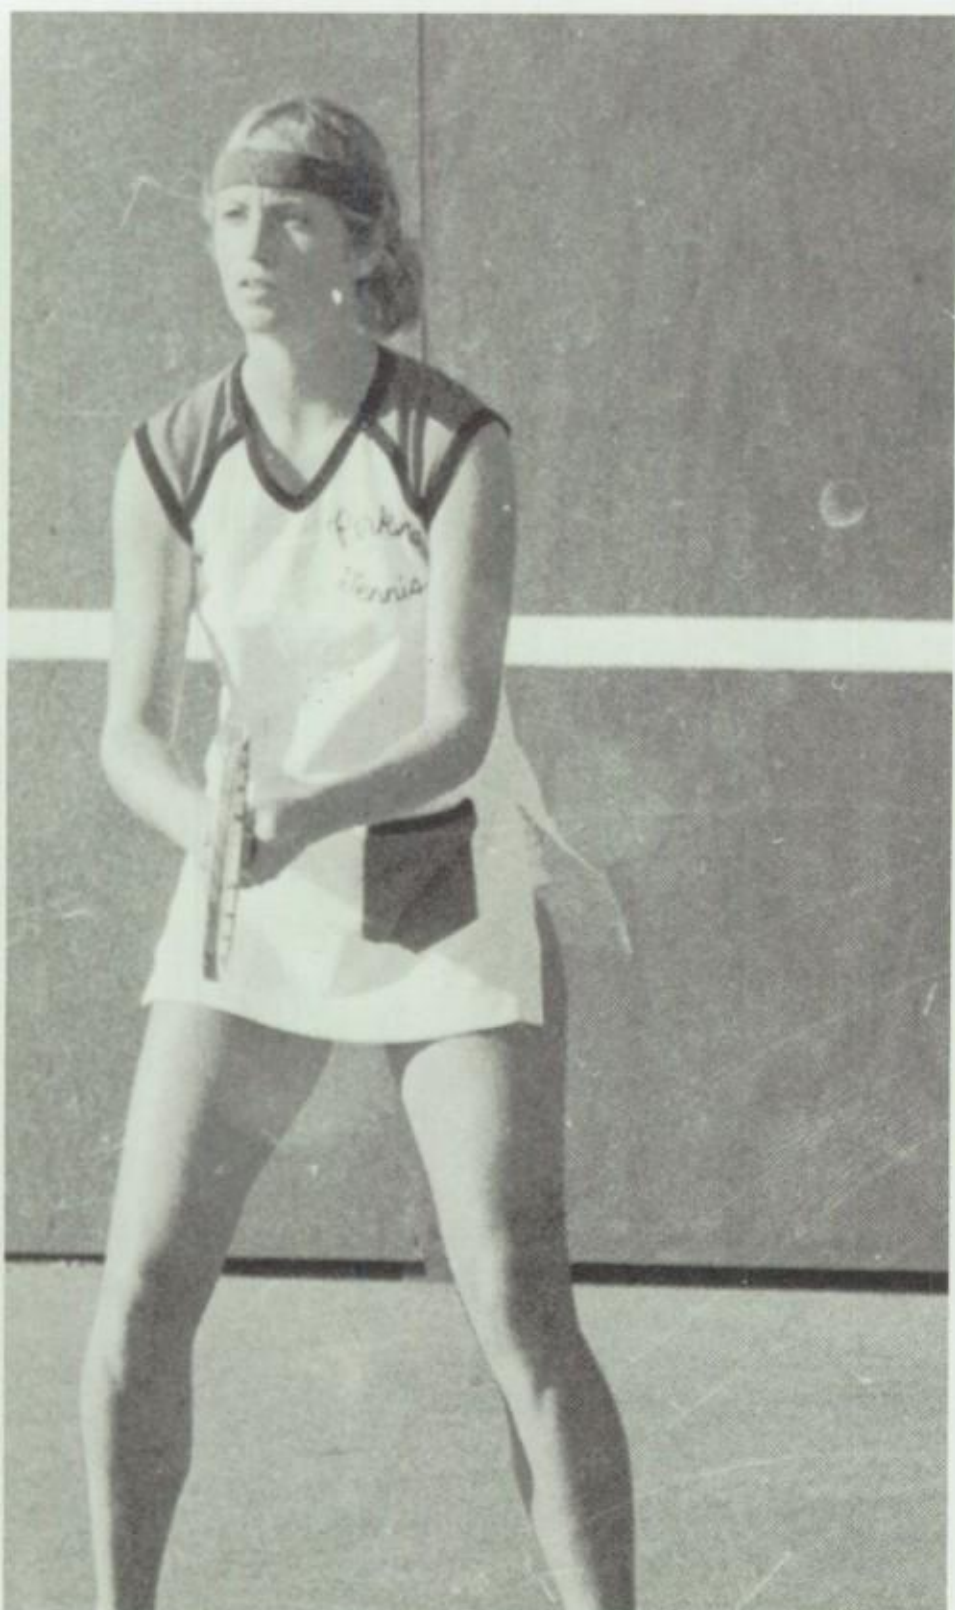

"All the girls contributed to our wins, even those who weren't

playing," stated veteran coach Joe Taylor. "We enjoyed a good season and the girls worked well together under the leadership of team captain Terri Manion, who was also chosen as MIP."

Although the girls will be losing five seniors, they are looking forward to a good season next year especially with the return of MVP Terri Moore.

Spikers Moved Up

1

Under new head coach John Schlessman the girls' volleyball team showed much improvement in achieving a 7-8 overall record, a 7-7 conference record and placing fourth in the SBC.

"The attitude of the girls was extremely cooperative," said Coach Schlessman, "and the co-captains, Tania Deal and Marcy McPeck, were a great deal of help to me in my first year."

At the end of the season, the girls celebrated their victories at their annual banquet, announcing senior Tania Deal as MVP and junior Nancy Bing as MIP.

Cheerleaders Strived Together To Promote School Spirit

There was one team in the high school that stuck together through thick and thin. It was the cheerleaders.

The cheerleaders not only stuck together through thick and thin, but also while doing some of the jobs of a cheerleader.

These included, not only cheering at football and basketball games, but also making signs to hang, painting hoops, making spirit boxes and making up cheers.

Being a cheerleader was not always as easy as it seemed. Some stunts were quite difficult reported the girls, but the cheerleaders never stopped cheering or smiling.

Cheerleading took up a lot of time and heart. They all said, "It seemed that our jobs were never done."

PHS's Kardiac Kids

Unlike the Cleveland Browns who always managed to come up with a big win in the closing minutes, the Pirate basketball team lost many battles in the last few seconds. Although the cagers were known for their ability to fight to the end,

they were only able to capture a 4-17 overall record and a 3-11 SBC record.

The roundballers, coached by John Schlessman and assistant coach Dan Roth, were lead by four seniors, Sheldon Benkey, Bob Brown,

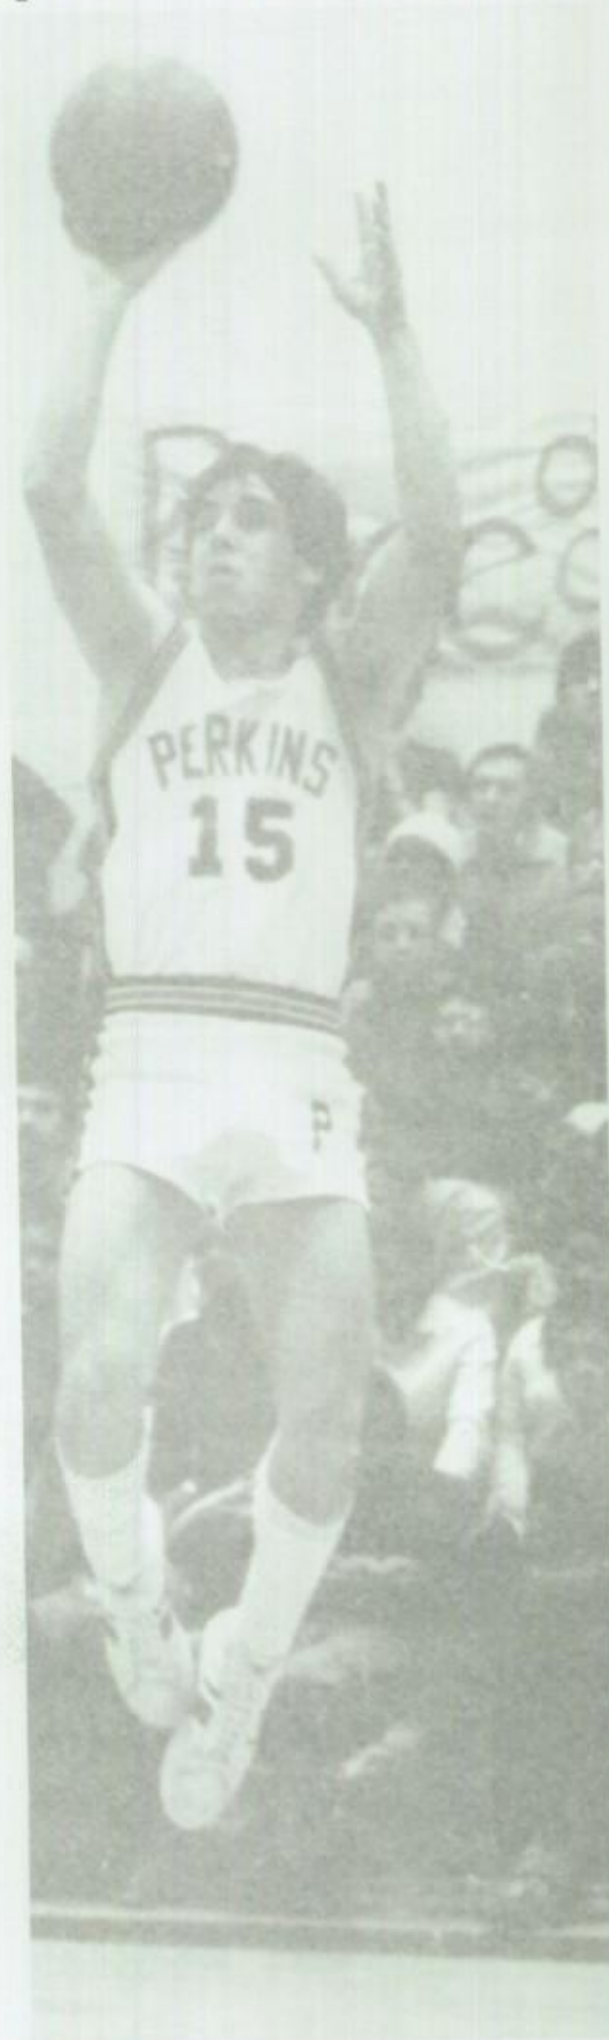

Myles Bruno, and Steve Toft who were able to keep the team from ever giving up.

According to Coach Schlessman the Pirates have a very bright future, especially with the return of MVP Tim Marzec, MIP Chris Groover and seven varsity players.

Reserves Worked On Skills

As in many high schools, the object of a reserve team is to set up a year for the players to work on their individual skills and team play. Such was the case for the 1980-81 reserves who were able to establish themselves on the court through a 12-8 overall record and a 9-5 SBC record, which was good enough for a second place finish in the conference.

Lead by co-captains Greg Butler and Brian Printy, the squad of juniors and sophomores played very impressive ball. Summed up by coach Chris Green, "The guys showed much improvement from beginning to end in basic fundamental skills and are ready for varsity ball next year."

Frosh Had Impressive Year

No one could ignore the freshman basketball team this year as the rookie cagers were able to capture a 13-4 overall-conference record, a second place finish in the SBC, and a second place finish in the Perkins Freshman Tournament. The frosh showed that could play tough ball as they only gave up an averaged 28 points per game.

Summed up by coach Jim Patton, "We had 14 good players whose overall attitude and ability to hustle made each player an asset to the team."

Under new head coach Chuck Teagarden, the Pirate matmen were able to stack up a long list of accomplishments including a second place finish at the Galion Tournament, a third place finish at both the Edison and Willard Tournaments, a sixth place finish in the SBC and several individual honors. Lead by senior co-captains Charlie Brown and Vince DeMore, the matmen racked up a 4-5 record and sent one grappler, Vince DeMore, to state competition.

At the close of the season, the matmen celebrated their victories at their annual banquet announcing senior Vince DeMore as MVP and sophomore Keith Porter as MIP. The reserve team was also honored at the post-season banquet. Coached by Web Luginbill, the team had an outstanding record of 4-3-2.

Tankers Won Traditionally

Once again the Pirate swim teams racked up win after win as the boys recorded a 9-1 record and the girls a 7-3 record. Head coach Joe Groscost and assistant coaches, Mike Anderton, Jim Stauffer and John Verble were very pleased with the teams' performances.

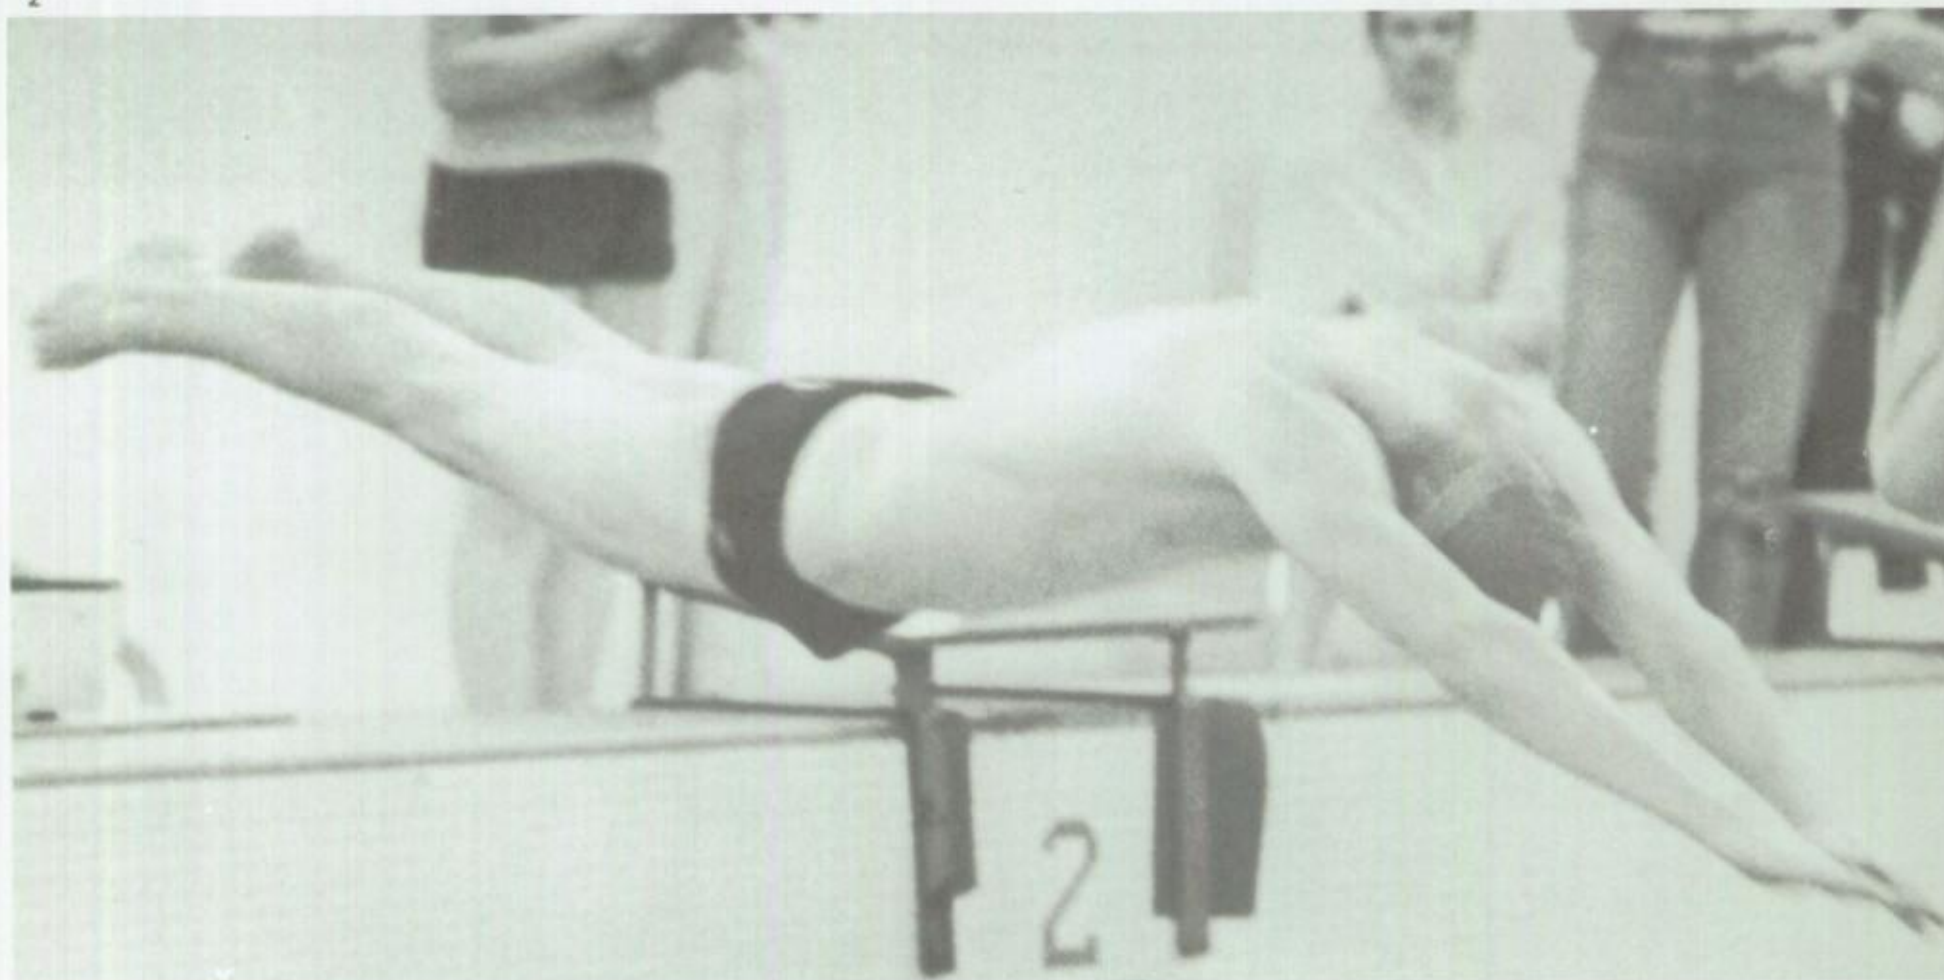

Lead by co-captains Regan Cole and Scott Jurs, the boys made such achievements as—first place at the N.W.O.A.C. Relays, the N.W.O.A.C. Championships and the Port Clinton Relays; second place at the Malabar Relays and in the State "AA" Powerpoints; fourth place at district competition and thirteenth place in overall State Powerpoints. While the girls, lead by tri-captains Tricia Stacey, Karla Steirhoff and Jean Wright, captured first place at N.W.O.A.C. Relays and Championships; second place at the Malabar Relays; fourth in State "AA" Powerpoints and tenth at the district competition.

After their traditionally successful season, the teams chose seniors Dwight Davis and Tricia Stacey as MVP's and sophomores Scott Elmer and Amy Zeiher as MIP's.

Girl Cagers Lead By Seniors

"Although the season was disappointing in the win-loss category, the overall success of the team was great. Our seven seniors led the team on and off the court and are going to be very hard to replace next year," stated three-year mentor Jim Hauser.

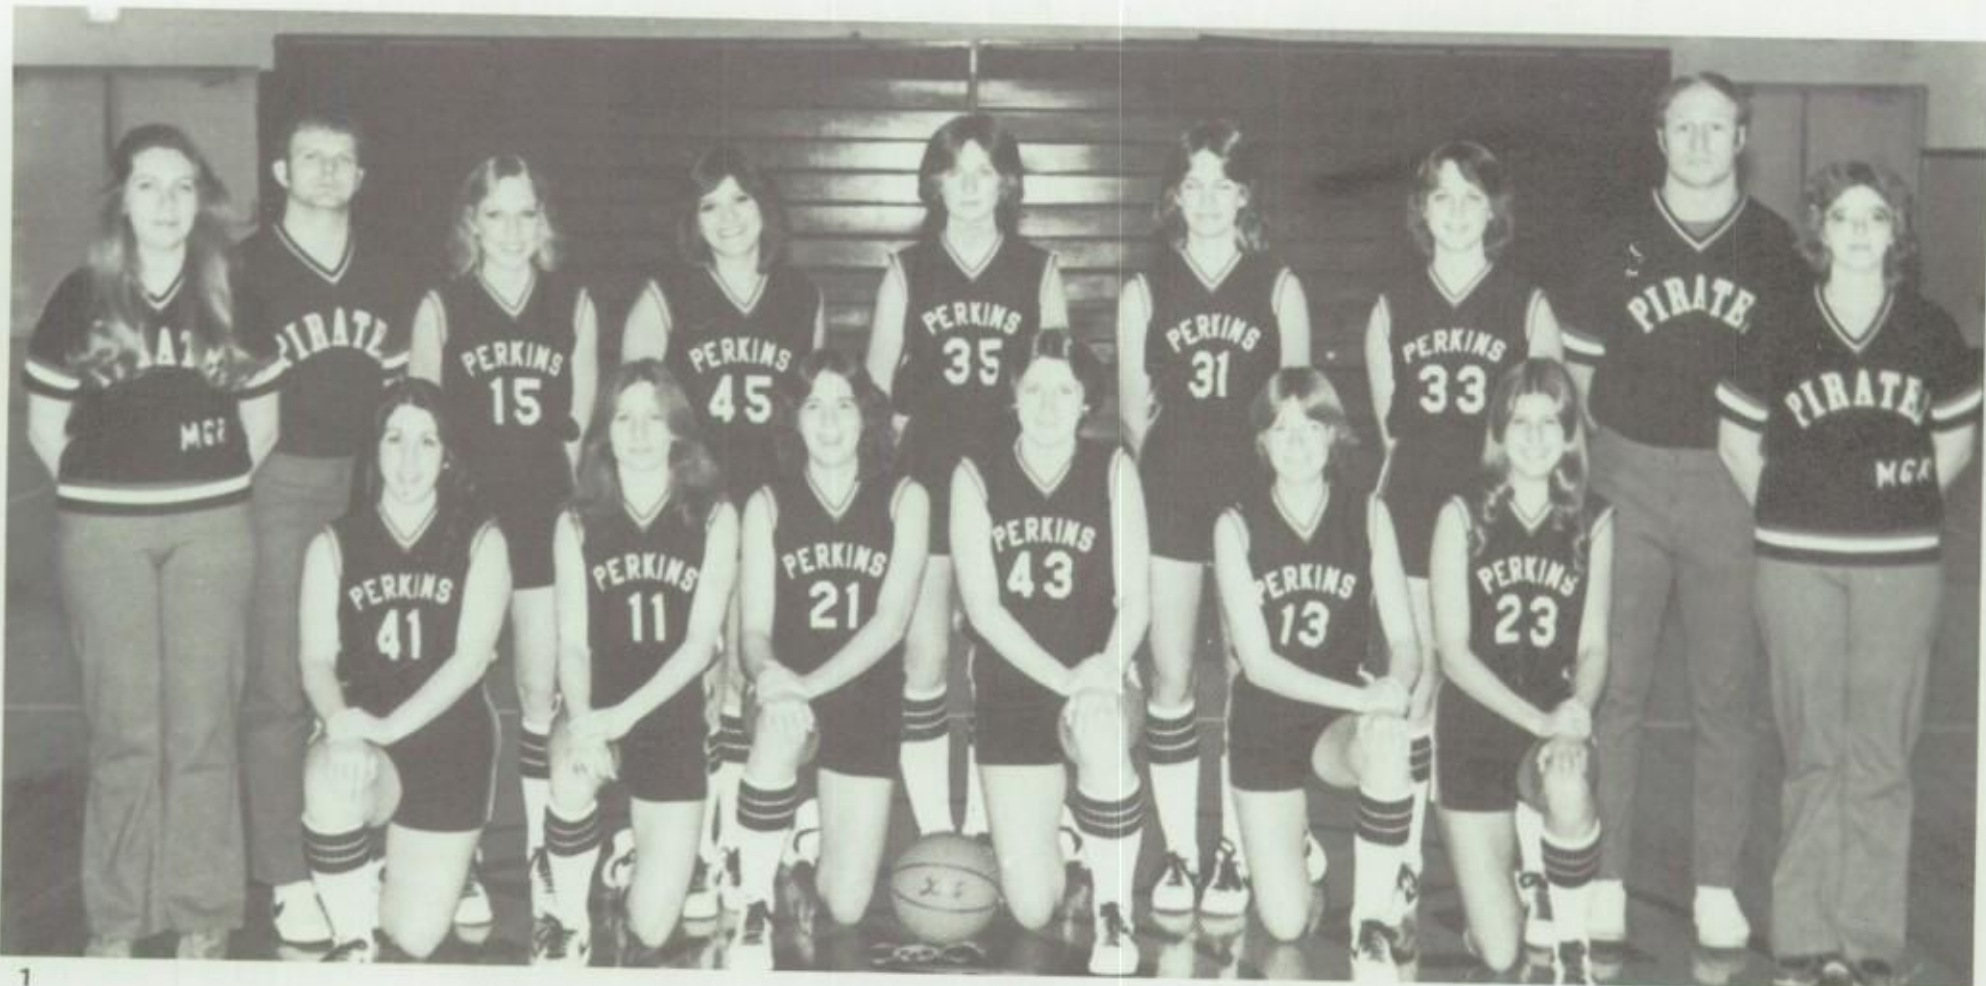

The girl cagers, who were led by senior co-captains Tania Deal and Becky Johnson, were able to establish a 10-11 overall record, a

7-7 conference record which was good enough for fourth place and took state ranked Huron into a triple-overtime.

At their post-season banquet, the girls chose senior Tania Deal as MVP and senior Beth Shrake as MIP. Also honored at the banquet was the reserve team, coached by Dean Janitski, who stacked up a 6-13 overall record and a 6-8 conference record.

Batmen Had Frustrating Year

The Pirate baseball team of 1981 was faced with what many considered a frustrating season. After a fantastic start where the batmen held a steady second place in the Sandusky Bay Conference, the boys seemed to lose consistency and dropped to finish in fifth place in the conference.

"Baseball is not a strong sport at Perkins," summed up head mentor Doug Mehling. "It's taken us a few years to get a program established but we are definitely on our way up!"

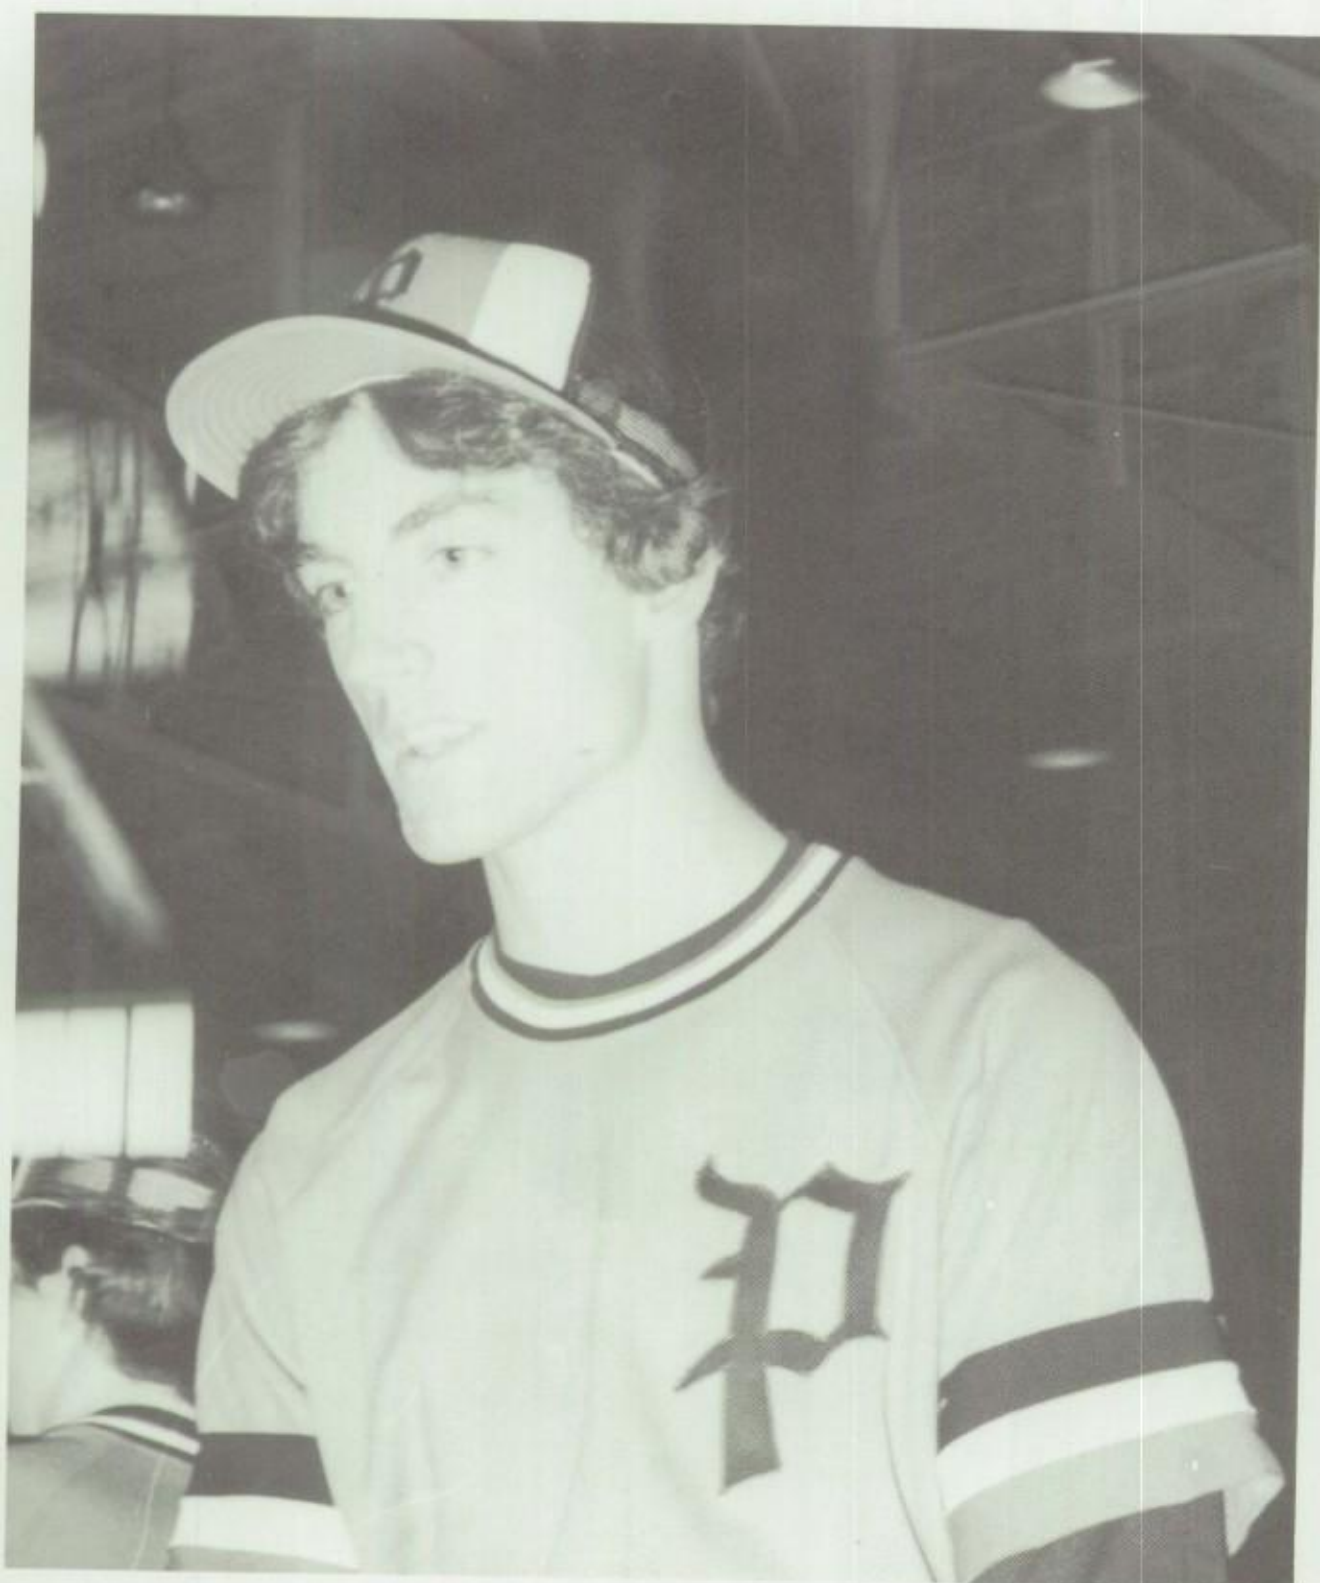

Lead by seven seniors, Jim Burchfield, Jim Cummings, Joe Giardina, Doug Lang, Jeff Nixon, Dave Pruitt, and Gary Turner, the squad finished the year with a 8-17 overall record and a 6-8 SVC record. Also the squad placed one man, junior Scott Strieffert, on the second team all-conference and two men, Lang and Nixon, on the honorable mention list.

At their annual post-season banquet, the boys ended their season as a team where Mehling pointed out how the team had been successful in more than the winning category. Also, the boys honored Strieffert as MVP and Cummings as MIP and Lang with the Freytag award.

Linden, Raschke State Champs

A first was seen at Perkins as the doubles team of Doug Linden and Ben Raschke captured a state championship title in tennis.

Linden, a sophomore, and Raschke, a senior, breezed to a fine victory bringing home the first state tennis crown to Perkins and to all of the Sandusky Bay Conference.

The entire team composed of Bob Brown, Linus Bruno, Tom Hayes, Dan Hoover, Peter Keleher, Linden, Raschke, Jeff Stevens and Jeff Swain also saw great success as they compiled a perfect season record, 18-0, captured an undisputed SBC crown and went all the way to the finals of the Coaches Team Tournament where they lost to top ranked Sylvania Northview.

"The guys did a great job this year," gleamed head coach Joe Taylor. "The captains, Brown and Raschke were the best leaders not only on the court where Brown was 14-3 and Raschke was 17-1 and both were undefeated in the SBC, but also off the court where it counts the most."

The Pirates celebrated their long list of achievements at their annual post season banquet where Raschke was chosen as MVP and Linden as MIP.

Seniors, Frosh Led Tracksters

1

Despite an undefeated dual meet record, 14-0, the Pirate tracksters were unable to capture the SBC crown in the conference meet when placing second to Port Clinton. The team, however, was quite pleased with their success especially in the invitationals where they were crowned champions three times and runner-up once. Also, the Pirates did quite well in the state tournaments by winning the sectional title and by sending eleven men to districts.

Individual honors went to Myles Bruno, Scott Caldwell, Don Clark, Tim Harper, Jim Hohler, Pete Kearney, Brian Martin, Leroy Matthews, Scott McCune, Pat Williams as district qualifiers and to Jim Hohler and Brian Martin, again, as SBC champions in the shot put, the 1600, the 3200 respectively. Also at the tracksters' annual post-season banquet freshman Don Clark was named MVP and senior Scott Caldwell as MIP.

Girls' Track Best Ever

The 1981 girls' track team was lead by senior stand-out Jackie Kelley. Kelley recieved her third MVP trophy, went to the state tournaments for the second time, won the long jump at an indoor track meet composed of 72 teams in Columbus, lead the team in scoring for the fourth year straight, set and broke records in the long jump, 100 yard dash, 200 yard dash and 400 yard dash and brought to Perkins victory after victory.

Kelley lead the team to an impressive conference championship, a Margarettta Invite championship, a Pirate Relays championship, a runners-up finish at the Bellevue Invite and to an almost perfect season of 10-1.

"The co-captains, Kelley and Terri Manion, did an excellent job in leading the team," commented head coach Chris Green. "They made my job much easier."

The girls closed their season with their annual post-season banquet where Kelley was chosen as MVP and Becky Johnson as MIP.

“Intramurals Give You A Chance To Play.”

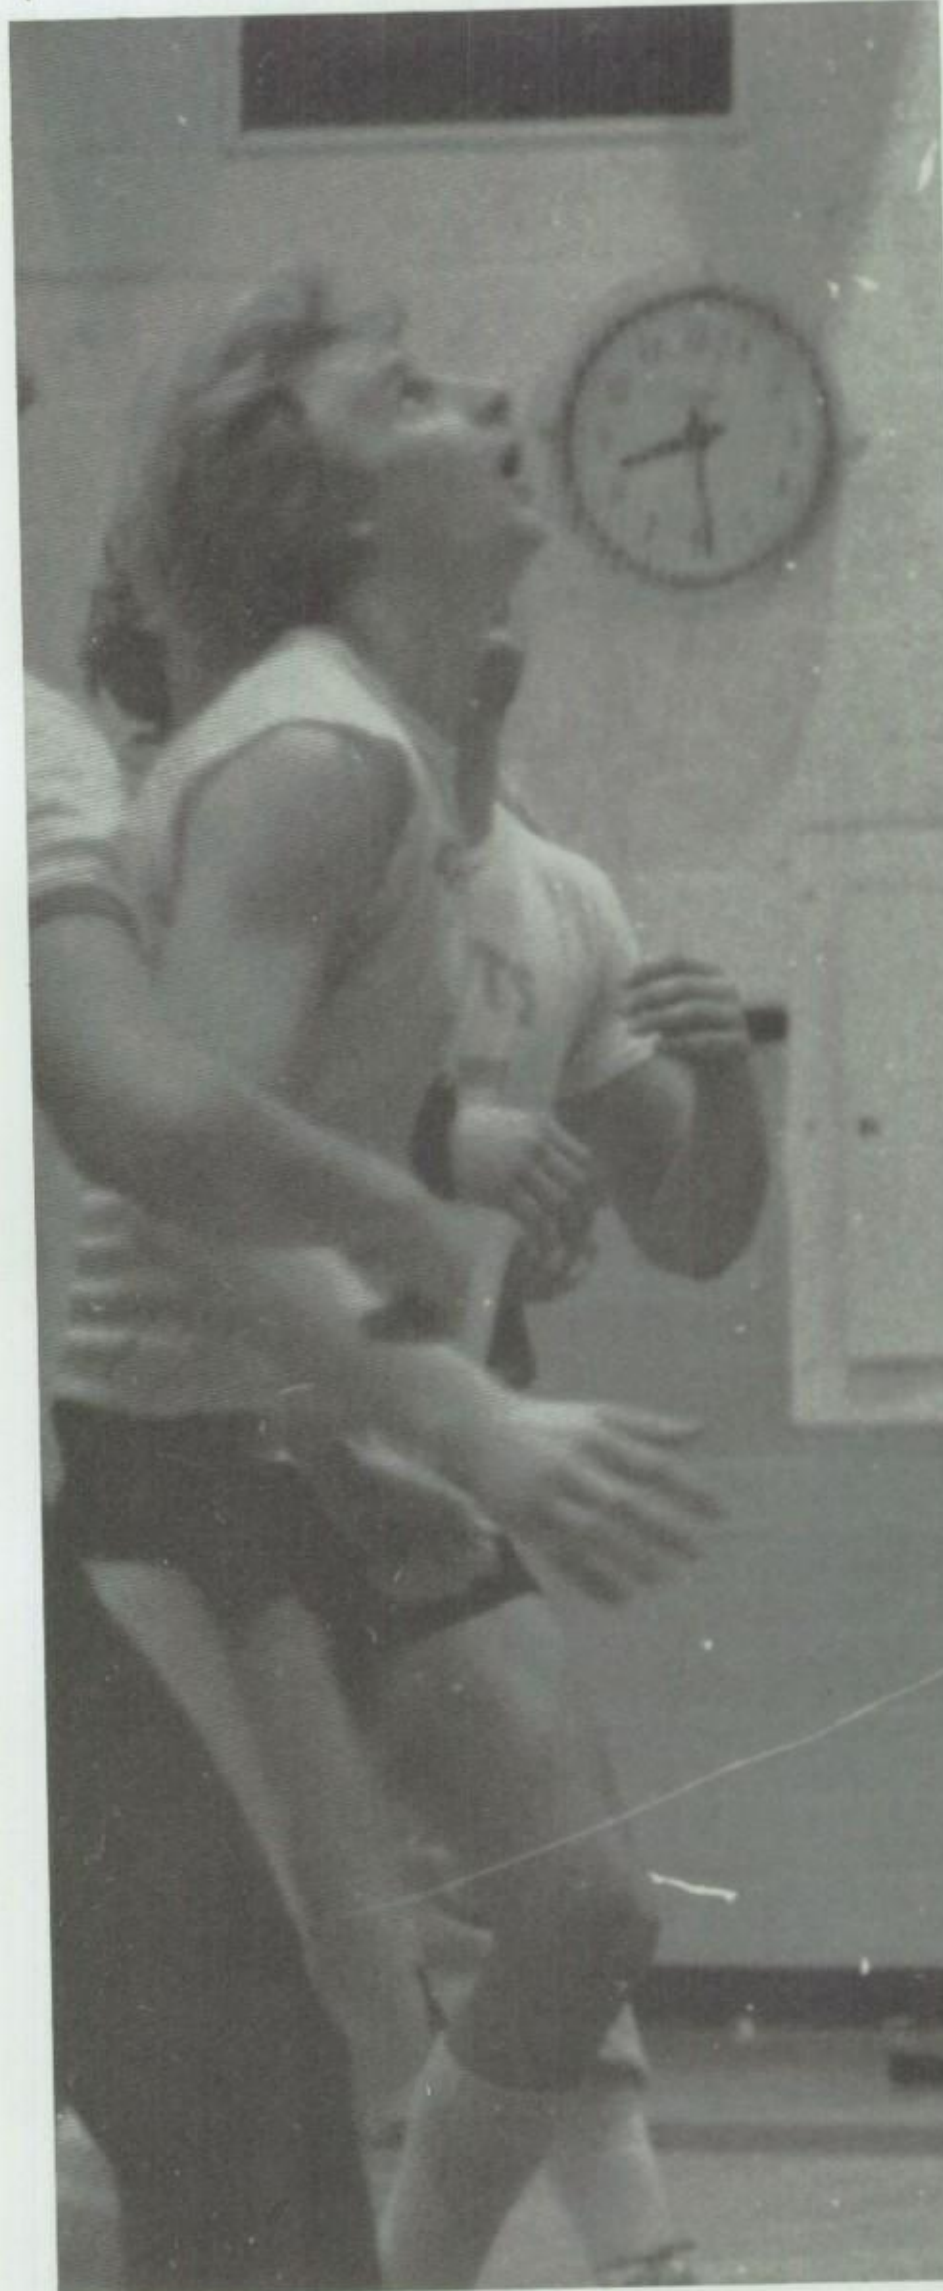

Ken Miller, Sr.

The intramural program was highlighted by two activities this year, basketball and bowling. The advisors, Coach Stauffer and Mrs. Gaydos, were both very pleased with the turnouts this year and felt that each activity was at its strongest.

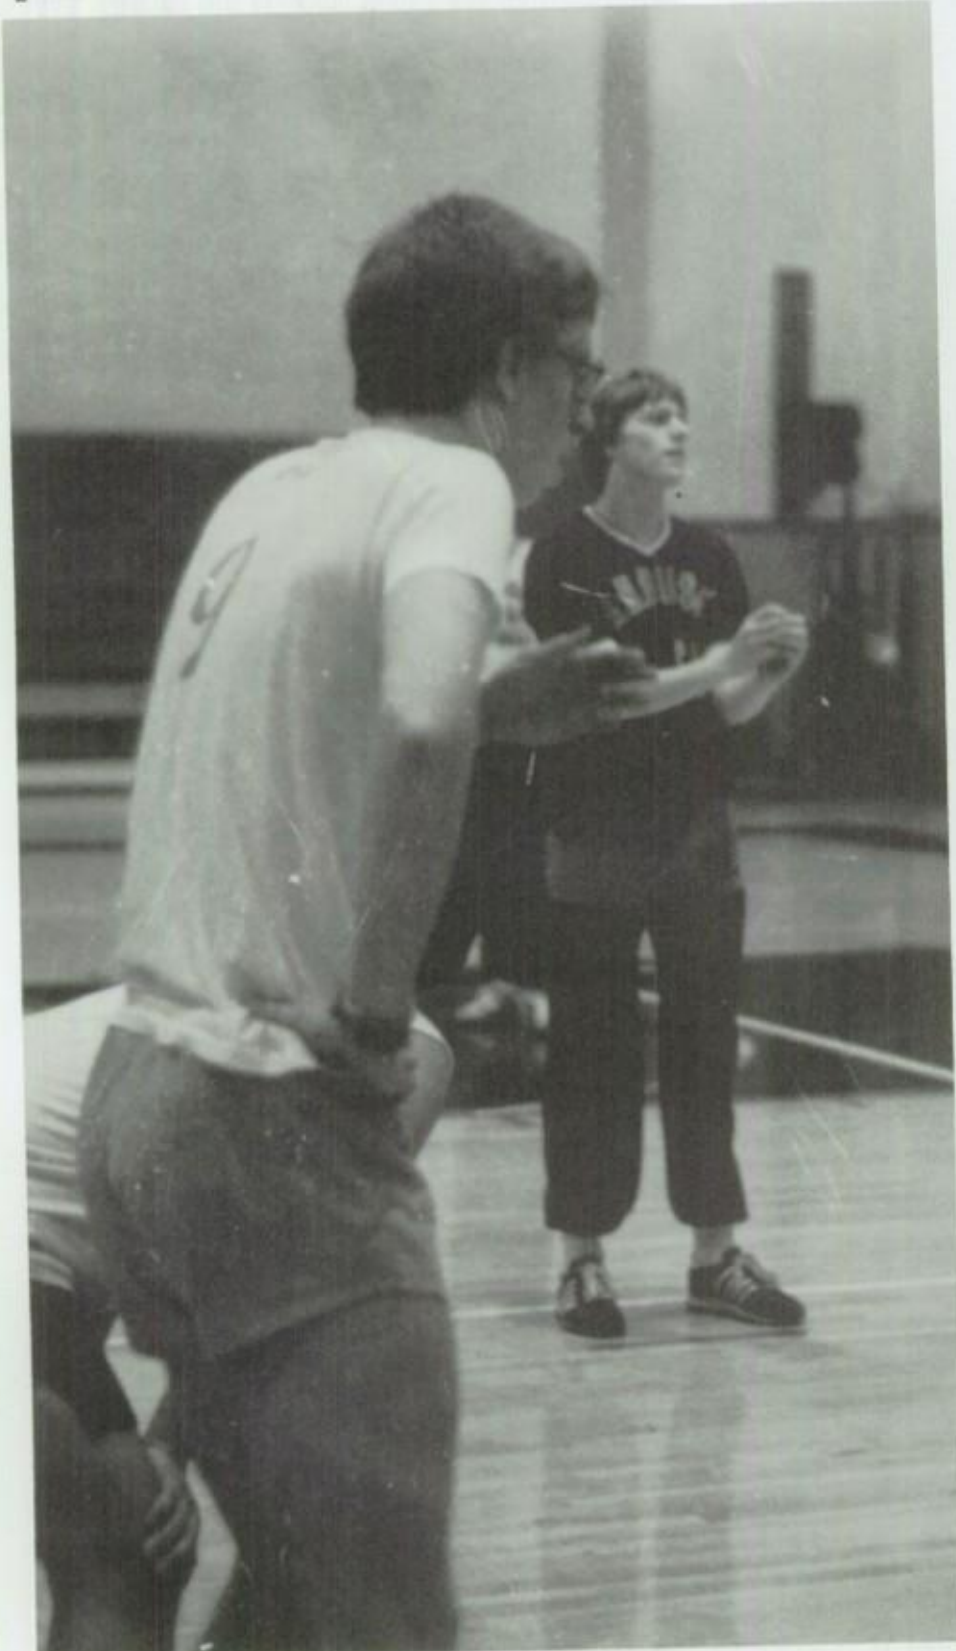

The intramural basketball schedule ran from January to March with games being held every Monday evening. The participants made up their own teams, 12 in all, and competed in a Round Robin tournament where Goebel Express was crowned champs.

The bowling participants met every Wednesday after school at nearby Bonnie Lanes. They also formed their own teams and while they didn't have a special tournament to end the season, the teams did keep a list of which team was leading the league.

Seniors Finished The Year Together

The class of '81 was eager to get the year started.

They started off with homecoming activities and won first place in float competition with the theme, "Grease".

The senior class also accomplished other goals by raising money during the year. They sold lotion soap, kit-and-kaboodles, and had bake sales after school. The money was used for the senior class trip to Toronto, Canada.

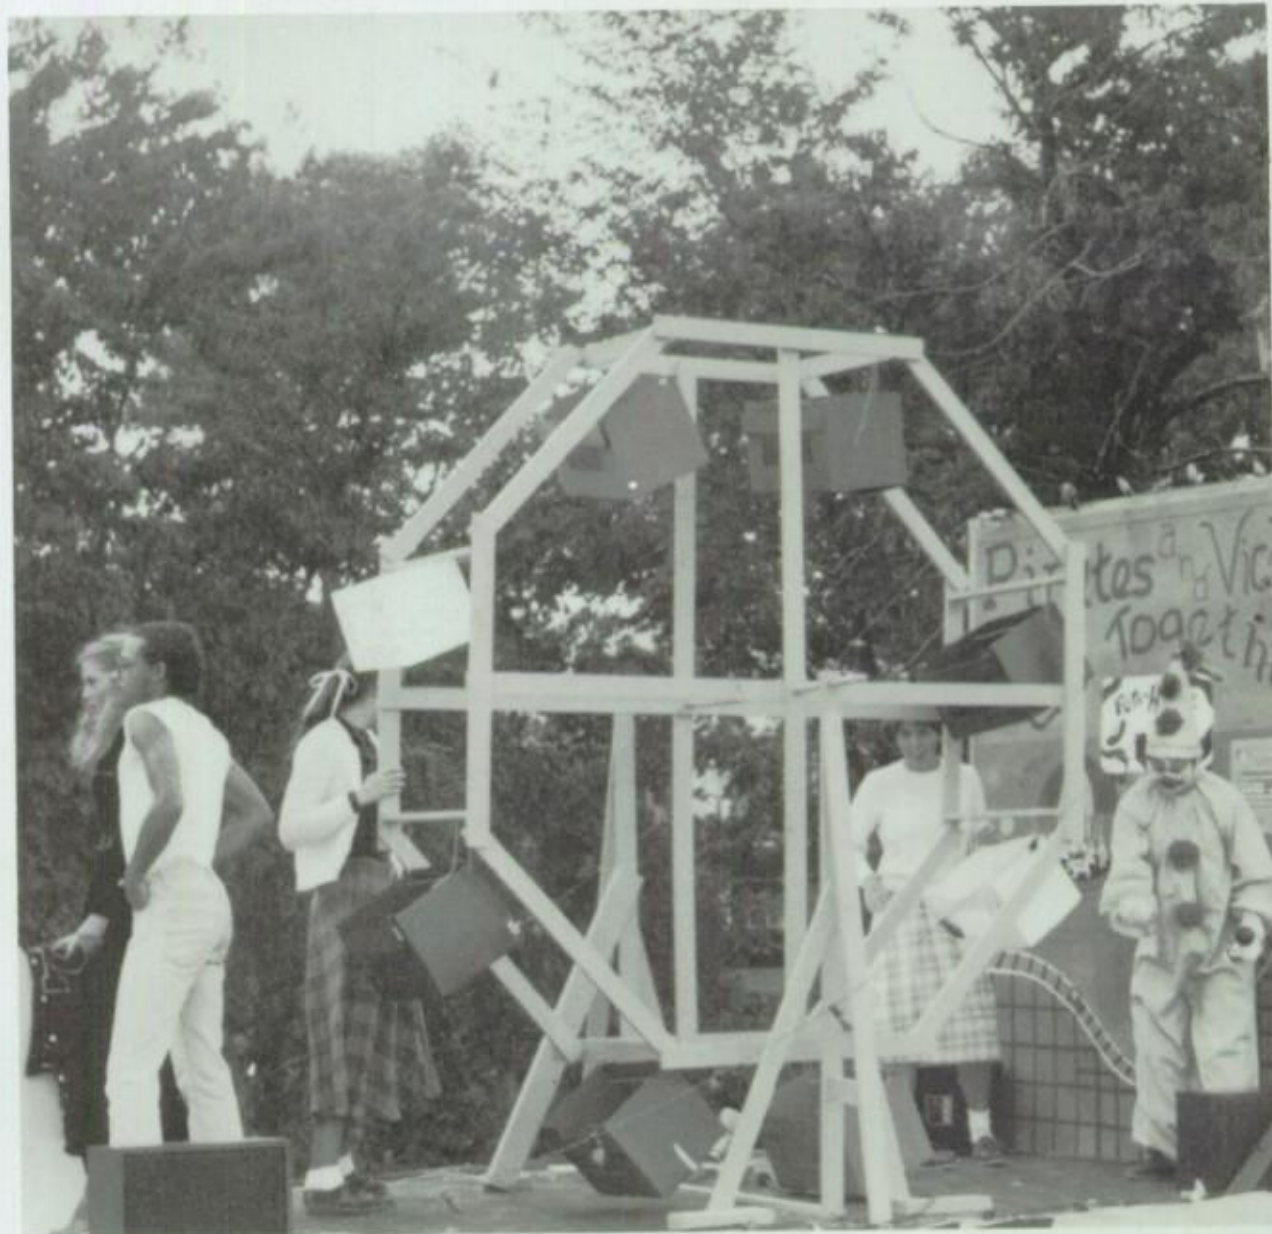

The next big step was getting measured for caps and gowns, ordering announcements, and paying class dues. The class of '81 knew what being a senior was all about.

On May 29, the all-night party was held with senior parents as chaperones. Food, drinks, movies and swimming were just some of the things the seniors enjoyed that night.

Finally, the year had come to an end. The class of '81 graduated on June 7 and became part of the history of PHS.

Senior Trip - UNFORGETTABLE

1

Over Easter Vacation while some students went to Florida, the senior class took a trip to Toronto. The money from the sale of lotion soap enabled 40 seniors to go on this trip.

While in Toronto the seniors went to the Spaghetti Factory and the Organ Grinder. A number of the more athletic students went to a baseball game.

Before coming home, they stopped to see Niagara Falls.

1. Cheryl Pruitt and Sophia Hayes looked slyly at the camera while contemplating their next move.
2. Dave Thompson and Amy Arndt crashed on the way home from Toronto.
3. All decked out in their coonskin caps were Jeff Downs, Richard Henry and Mrs. Smith.

Seniors Enjoyed All-Night Party

The senior all-night party was held on Friday, May 29. More than 140 seniors participated in this event. The party was scheduled to last from 8 p.m. Friday to 6 a.m. Saturday morning.

There was plenty of food and the gymnasium was set up with foosball, air hockey, ping-pong, pool and pinball. Other activities included the use of the school pool, a movie and a live band. Door prizes were awarded throughout the night.

The party was sponsored and chaperoned by the senior parents.

2. Larry Mervine set up to break while Joe Mitchell and Chris Cebull watched.
3. Jody Andres waited patiently while Theresa Walker and Cheryl Pruitt "racked 'em up".

Together we Learn . . .

Together we stand tall.

Farewell Now My Friend

I love you my friend.
You're quite true to me.
A true friend you are,
And always will be.
But you're leaving me soon,
And going your own way.
Perhaps we will meet
In the future someday.
You left me with memories
Of good times we had

To treasure forever
And make me feel glad.
I wish you good luck
In all that you do.
May all of life's pleasures
Come your way too.
Farewell now, my friend,
And please may you find
Some thoughts of me
Always in your mind.

Juniors Completed A Year **TOGETHER**

The class of '82, lead by President Kriss Hammond, had a very busy year.

Starting off in October with Homecoming events, the juniors took second place with the theme, "The Wiz" in the float competition.

Among the usual fund raisers of bake sales, raffles, a car wash and working at the concession stands at football and basketball games, the juniors raised enough money to reduce the cost for the annual spring Washington D.C. trip.

At year's end, the class gave the annual junior and senior prom at the Cedar Point Convention Center. The theme this year was "We've Got Tonight".

Junior class officers (left to right): Kriss Hammond, president; Ray Whitacre, vice-president; Gretchen Bossart, treasurer; Beth Stockdale, secretary.

Sophomores Worked Hard TOGETHER

"The class of '83 class officers have been the best group of kids I have worked with," said Miss Fantozzi, class advisor.

Starting off the year, the sophomores placed third in homecoming float competition with the theme, "Sunrise, Sunset" from "Fiddler on the Roof".

A new fund raiser was tried this year, "Pot of Gold Raffle". It was very successful. Among the other fund raisers were a magazine sale, a bake sale, and a candy sale.

Freshmen Started Out Together

"What are the three cities in Erie County?" This was the type of question asked by Channel 7's announcer, Tom Whaley, at Perkins High School's own Trivia assembly sponsored by the freshman class.

The assembly was just one of the many successful money-making activities put on by the class. Other activities were the Easter basket raffle and several bake sales.

Although the secretary of the class, Beth Davis, moved away, Joanna Elliott replaced her successfully. Mrs. Sharpe, the freshman class advisor, remarked, "We have raised the most amount of money ever for a ninth grade class entering the tenth grade year. The officers were hard workers and worked together well as a group."

Val Barone helped the students at a freshman bakesale.

EHOVE Students Stepped Into The Future

EHOVE (Erie, Huron, Ottawa Vocational Education) is not just a school of schools, it is also a place which prepares students for the future.

Perkins had 58 students enrolled at EHOVE where they learned special skills. The 26 different classes which developed these skills ranged from auto body to secretarial specialists.

Students at EHOVE also had a chance to be part of VICA, DECA, FFA or HERO at EHOVE.

Special awards were given on May 22, EHOVE graduation day, and then those same students took part in the Perkins High graduation on June 7.

Behind the scenes of Perkins Schools, there are many people who all work together to insure that the students get the best education possible.

The Board of Education, a group of elected officials from Perkins Township, is in charge of the Perkins School System. The Board sets policies and invests trust in the superintendent to carry out those policies.

Superintendent Harold Butcher was in charge of carrying out the policies of the Board. He also made recommendations to them. Mr. Harold Johnson and Mr. William Haggerty were the curriculum director and treasurer of the Board respectively.

In the high school, Mr. Maxwell Shoff, principal, oversaw everything that took place at the high school. Mr. Larry Pitts, assistant principal, was in charge of discipline; and Mrs. Raymona Anderson, dean of students, was in charge of teacher evaluations. She also scheduled the high school facilities, and was in charge of the master calendar as well as the registration and scheduling of grades eight and nine.

Bits And Pieces - Odds And Ends - Gave Us One Last Look

Rarely is there a year that goes exactly right for a yearbook staff. This past year the difficulty remained in raising the money. After starting out with a large deficit, the publication of the book looked sort of bleak to me. I must admit though that with the help of outside sources and our own committed staff, we did one heck of a job getting out of that deficit. And the largest reason we made it wasn't because of any single person; it was because we did it "Together."

Although it was a combined effort, I don't believe we could have made it without the help of Dave Pataky, our Josten's representative, Gainsborough's (for the picture and the use of a much-needed camera), Tom Catri (of Dr. Tom's Camera Shop for the loan of his camera), Pam Howard (our super salesperson), and Scott Caldwell and Miss Schuman (cover design). I'd especially like to thank my staff:

Jody Andres	Clubs and Activities Editor
Lynda Cooksey	Sports Editor and Business Manager

Kathy Smith	Advertising Editor
Linda Kay Davis	Academics Editor
Tammy Reed	Classes Editor

Tracy Reed	Photographers
Theresa Walker	
Kelly Payne	

John Burrows	Assistant Photographers
Cindy Sowecke, Mari Zuck, Rhonda Whittaker, Tim Harper, Leroy Matthes, and Lore Esposito - - - -	
Layout Assistants	

And I'm sure the whole staff, besides myself, thank Mrs. Souter, our advisor, for the tremendous job and constant help she gave each and every one of us to make this a successful year and book. For a first year advisor, she took a lot of time to get us back on our feet. She not only became our advisor, she became our friend.

To close I'd like to sum it up with: "Thanks! Together we made it!"

Denise Hufnagle
